PUBLIC NOTICE

LIFTING OF THE BAN ON PROCESSING OF ENVIRONMENTAL IMPACT ASSESSMENT (EIA) REPORTS FOR USED AND WASTE OIL HANDLING FACILITIES

Reference is made to the public notice dated 3rd May, 2021 on suspension of processing of EIA reports for used and waste oil handling facilities.

The Authority has concluded investigations on the matter and appropriate interventions have been put in place.

Based on the above the Authority hereby lifts the ban and notify the public of the resumption of processing of EIA reports for all proposed used and waste oil handling facilities such as transfer stations, recycling plants and disposal sites.

Please take note.
