To: All Interested and Eligible Tenderers,

RE: NEMA/T/21/2022/2023 - SUPPLY, INSTALLATION, TESTING & COMMISSIONING OF AUTOMATIC POWER GENERATOR ADDENDUM

Following the pre-tender conference and site visit which took place on 29th November, 2022 at the National Environment Management Authority's Head Office from 10:00AM, the National Environment Management Authority makes the following amendments with respect to the Bill of Quantities:

	Description	Unit	Quantity
	Installations <i>Provide all materials and labour and install the following-:</i>		
A	70mm 4- core armoured copper cable for Block A Power.	M	150
B	25mm 4- core armoured copper cable for block B.	M	70

Tenderers are instructed to effect these changes in their bids as this now forms part of the tender document. All the other items remain unchanged. Consequently to allow tenderers adequate time to prepare the bids, the closing date for submission and opening of tenders is hereby extended to **Tuesday, 13th December 2022 at 11:00AM**. Minutes of the pre-tender conference are available on www.nema.go.ke in the tender portal.
