Enforcement of the ban on plastic bags (carrier bags & flat bags) came to effect on 28<sup>th</sup> August 2017. NEMA is aware that the public still holds the bags in their homes and has made plans with retail outlets to have drop-off points.

You are advised to drop the plastic bags in these drop- off outlets for NEMA licensed recyclers to collect for recycling, beginning Thursday 31<sup>st</sup> August 2017.
