

National Environment Management Authority

PUBLIC NOTICE

**APPLICATION FOR DESIGNATION AS VEHICLE EMISSION TESTING CENTRES
(VETCS) UNDER EMC (AIR QUALITY) REGULATIONS, 2024**

The Environmental Management and Coordination (Air Quality) Regulations 2024, gazetted in November 2024, provide for mandatory vehicle emission testing as part of measures to prevent, control, and abate air pollution.

Pursuant to Regulation 25(7) of the Regulations, the Authority may designate qualified Vehicle Emission Testing Centres (VETCs) to undertake emission testing functions on its behalf as provided for under Regulation 25(1) and (2).

This is therefore a call to all eligible and interested facilities to submit their applications for designation as Vehicle Emission Testing Centres (VETCs).

Applications should be submitted online through the NEMA licensing portal as follows;

- i. Create an account
- ii. Login
- iii. My licenses
- iv. Lab Designation
- v. Vehicle Emission Testing Centre
- vi. Apply

Applicants are encouraged to review the Regulations and Guidelines for Designation of Vehicle Emission Testing Centres available on the NEMA website (www.nema.go.ke) to understand the requirements before applying.

The Authority is committed to ensuring a clean, healthy and sustainably managed environment for a prosperous Nation.

Dated: 16th February, 2025
