NATIONAL TENDERS

The National Environment Management Authority (NEMA) has received funding from Green Climate Fund (GCF) for a project titled "Enhancing community resilience and water security in the Upper Athi River Catchment Area, Kenya". The project seeks to enhance community resilience and water security in the Upper Athi River Catchment Area in Nyandarua, Kiambu, Nairobi, and Machakos Counties.

NEMA intends to use part of the funding towards the cost of financing water infrastructure in Kiambu and Machakos Counties; upgrading the Water Quality testing Laboratory, and smart screens. The Authority is therefore advertising the below listed tender opportunities.
