

PUBLIC NOTICE

AUTOMATION OF PIN OPTING FOR NEMA'S EXTENDED PRODUCER RESPONSIBILITY (EPR) PERMITS ON THE TRADE FACILITATION PLATFORM (TFP)

The National Environment Management Authority (NEMA) in collaboration with the Kenya Trade Network Agency (KenTrade) wishes to inform the general public, importers, clearing agents, and all relevant stakeholders that the **PIN Opting process for NEMA Extended Producer Responsibility (EPR) permits** on the Trade Facilitation Platform (TFP) has been fully automated **EFFECTIVE FROM 28TH SEPTEMBER, 2026**.

Under this enhanced automated workflow, importers can seamlessly have their Kenya Revenue Authority (KRA) PINs for NEMA EPR certificate applications opted in directly via Single Window System (Trade Facilitation Platform), completely eliminating the need for opting in by officers.

This enhancement is intended to result in: Fast, seamless and efficient EPR Application and Processing 24/7 Service Availability, elimination of manual intervention, enhanced user experience and improved operational efficiency.

DATED: 23rd, September, 2026
